Yes

No

If yes, please provide further details:

Do you have difficulty managing your medication?

Yes

No

If yes, please provide further details:

Are you taking any other medication that is not prescribed by your doctor?

Yes

No

If yes, please provide further details:

What is your current smoking status?

Smoker

Ex-Smoker

Non-Smoker

At Ixworth Surgery we offer a FREE Stop Smoking Service, giving practical help, support and advice for any patient that wishes to give up smoking. Our friendly Health Care Assistants and Pharmacy Team are on hand to give you information about all the latest methods of quitting and help you through what can be a difficult time. If you want to quit smoking and feel you need support please contact the surgery to book an appointment, however, if you would like to join a group we can refer you to the local Stop Smoking Service who currently run sessions.

Blood Pressure

If you are able to supply a blood pressure reading from a home blood pressure machine, please can you enter the result below:

Thank you for completing this medication review form.

Please send via email to: IESCCG.enquiries-ixworthsurgery@nhs.net

Alternatively you can print the completed form and post it in or hand it in at reception.

We will be in contact with you if an appointment or telephone consultation is necessary
